Sharing the spark of innovations

SNR SONS CHARITABLE TRUST

Motto of the Trust

To ensure total commitment to the social cause in a selfless mission to give relief to the needy and the poor.

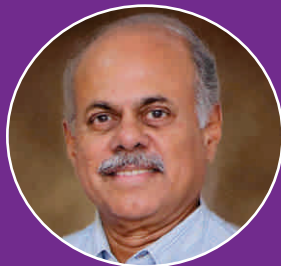

To provide quality healthcare to the needy.

To serve with enlightenment through education to produce graduates in different fields - General, Technical and Professional Education including Medical, Dental and Paramedical Sciences with competitive spirit and competence to serve the society and the country.

Board of Trustees

The Board of Trustees is committed morally to the efficient functioning of the Trust and also to improve its efficiency on a continual basis.

The Present Board of Trustees are:

Thiru. D. Lakshminaraswamy
Managing Trustee

Thiru. R. Sundar
Joint Managing Trustee

Thiru. S. Narendran
Trustee

Thiru. V. Ramakrishna
Trustee

**SRI RAMAKRISHNA
INSTITUTE OF TECHNOLOGY**
(An Autonomous Institution)

About Us

Sri Ramakrishna Institute of Technology (SRIT), an Autonomous Institution, affiliated to Anna university is one among the most eminent Educational Institutions in Coimbatore District. SRIT is recognized as one of the leaders in Engineering Education, Research and Application of knowledge for the betterment of the society and the country. The college has imprinted a position in the Engineering Education by creating graduates to the industry and the society. Since its inception in the year 2002, the institution has been continuously motivated to make a permanent mark in the field of education by creating technocrats, sound in academics and value system. SRIT is one of the seventeen leading institutions managed by SNR Sons Charitable Trust which includes Engineering Colleges, Polytechnic College, Schools, Dental College, Colleges of Pharmacy, Physiotherapy, Arts & Science and Advanced Training Institute. The institution is located in a tranquil environment appropriate for constant learning. It is situated at the outskirts of the city. Well-constructed buildings with state-of-the-art educational aids are spread over the 49.99 acres with built up area of 65,117 Sq.m. The college offers 5 UG Programmes and 3 PG Programmes.

“
*A Journey towards
Excellence and making
SRIT Globally Visible*
”

Vision

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching-learning process.

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.

Mission

Motto
Wisdom - Discipline - Prosperity

Dr. Paulraj M, Principal of the college has over 41 years of valuable experience in the field of education. Previously he had worked as Professor in the School of Mechatronics Engineering at Universiti Malaysia Perlis, Malaysia. He holds a Ph.D., in Computer Science and possesses more than a decade of Research and Guiding Experience in the field of Brain Machine Interface and Soft Computing. He had also worked in Universiti Malaysia Sabah, Kota Kinabalu and Government College of Technology, Coimbatore, Tamil Nadu, India.

His vision is to make SRIT “Globally Visible”. Therefore, he tries to make his faculty members and students globally visible by motivating them to contribute more on research and teaching-learning process. He also directs the faculty members to publish more papers in Peer - Reviewed Journals and receive funds from Funding Agencies for their Project and Consultancy works. He is a lover of Project Exhibitions. Hence he encourages his faculty members and students to do more research projects and exhibit them in Exhibitions being conducted in various parts of the world.

His rich knowledge and exposure to the world has empowered him to be an academic leader. He is a strong believer of “teaching the student and not the subject” which involves experiential learning strategies that fosters critical thinking.

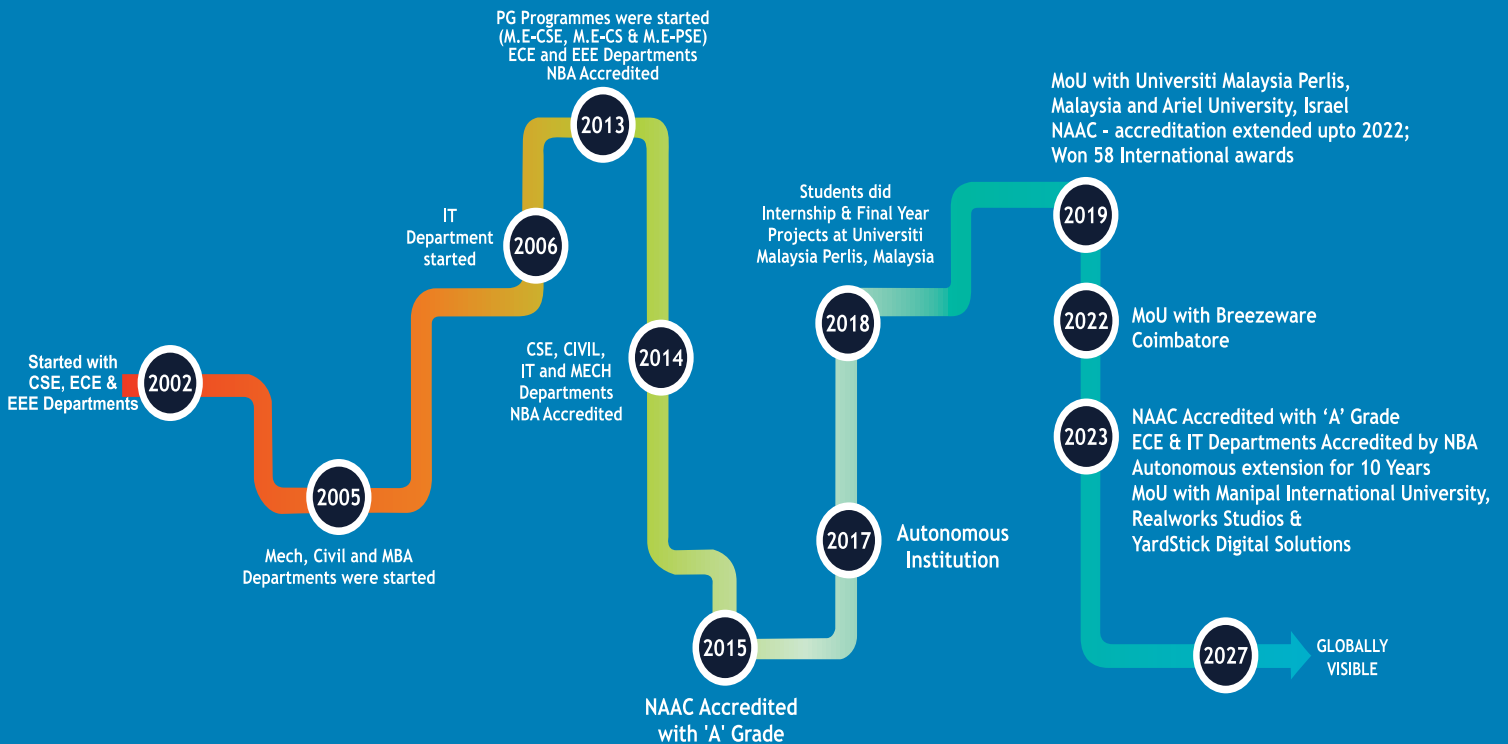

Dr. M. Paulraj
Principal

Glimpses of SRIT

TIMELINE OF SRIT

INNOVATION EXCELLENCE IN INTERNATIONAL FORUM

- ✓ The International Virtual Expo of Innovation Product and System Design(InVIDE) 2021, UniMAP **MALAYSIA**, won 8 Gold Awards, 18 Silver Awards, 27 Bronze Awards + 1 Special Award
- ✓ World Invention Creativity Olympic (WICO) 2021, Korea University Invention Association, Seoul, **SOUTH KOREA**, won 3 Gold Medals & 2 Silver Medals
- ✓ International Innovation, Creativity and Technology Exhibition (I2CreaTE-2021), Kuala Lumpur, **MALAYSIA**, won 15 Gold Awards, 26 Silver Awards, 6 Bronze Awards and I2 CreaTE-2021 Outstanding Organization Award
- ✓ Virtual expo of Innovation product and system DEsign(VIDE) 2020, UniMAP **MALAYSIA** -3 Awards
- ✓ International Innovation, Creativity and Technology Exhibition (I2CreaTE-2019), Kuala Lumpur, **MALAYSIA** - 20 Awards
- ✓ IEEE YESIST12 (2019), Stamford International University, **THAILAND**
- ✓ 4th International, Art, Creativity and Engineering Exhibition (I+ACEH) 2019, **INDONESIA**- 31 Awards
- ✓ 10th Kaohsiung International Invention Design Expo (KIDE) 2019, Kaohsiung, **TAIWAN** – 10 Awards
- ✓ 7th World Invention Creativity Olympic (WICO) 2018, Seoul, **SOUTH KOREA** – 10 Awards

Career Development Programmes

ALUMNI VOICE

★★★★★

Post completing my school almost 2 decades back (18+ years) , I chose SRIT as it was part of a highly reputed SNR Trust. From day one of my association with the college, I had an enjoyable & substantial academic career with the support of highly skilled & friendly Principal, Professors, lecturers, other staff, lovable friends & great college infrastructure. I couldn't have spelt Success in my professional career without the support of SRIT, especially my ECE department . Proud to be from the first batch of SRIT!

Rajiv Muthusamy,
Sr. Manager-Service Delivery,
Cognizant Technology
Solutions, USA.
ECE

★★★★★

“The thing I admire the most about SRIT is the support I received from everyone. I wouldn't have been able to achieve what I have achieved without that caring environment. In the four years spent here I have gotten such in depth insight into the field of engineering & technology. Also the opportunity to develop many project provided by institution was a stepping stone in my career. My teachers in the college were not just there to give the knowledge to clear the university exams, but shown path to be affinitive towards learning. I am truly indebted to SRIT for being the perfect launchpad for my career”

J.Christob Arputharaj,
Junior Engineer,
Infoview Technologies,
Chennai.
EEE

★★★★★

“From a timid teenager from hilly district of Nilgiris to a confident professional, who can contribute both to society and self, my alma mater SRIT has definitely laid me with necessary technical and cultural foundation. Though a decade of passing by, this institution still reminds me of whole-hearted efforts put by few faculties in our transformation, motivation to do some frugal innovation and of course the scenic beauty of campus lying along the foot hills of Western Ghats.

V.P .Anand,
Scientist- CSIR,
Chennai.
EEE

★★★★★

My experience here at SRIT was extremely rewarding. Not only did I learn all the essentials to become a professional but the professors really pushed me to be my best. Good reputation, well structured infrastructure, very supportive faculties, quality education with up to date technology are just some of the things I am reminded of thinking about SRIT. I owe many thanks to all my professors who gave me the freedom that I needed to prepare for Masters and guided me in every step towards it and made the process look easy.

Ms.Mary Majhela M,
Senior Associate,
Synchro Inc.
New Jersey,USA.
IT

★★★★★

I had a great time during my period of study at SRIT. SRIT has very wonderful facilities and they have very cooperative faculty members. The relation between faculty and students is very cordial, which gave me an opportunity to excel further. The four years spent was splendid and has helped me excel professionally as well as personally. Apart from academics, the department offers various opportunities to develop ourself to meet the demands of the industry. I enjoyed my college days a lot and spent more time on the campus.

Mr. M.Suresh,
Senior Engineer,
PROTECH Consultants Pvt Ltd,
Chennai.
Mechanical

★★★★★

My time at Sri Ramakrishna Institute of Technology was incredibly rewarding, both academically and personally. The rigorous coursework and hands-on learning experiences prepared me well for the challenges of the professional world. The supportive faculty and diverse student community fostered an environment of collaboration and growth. I had the opportunity to participate in various extracurricular activities and projects, which helped me develop leadership skills and expand my network. The values instilled in me during my time at the institute continue to guide me in my career.

Ms. Sujina P,
Technical Staff,
Nutanix Technologies Pvt. Ltd,
Bangalore.

Consultancy Works & Funded Projects

- ❖ Received a total fund of Rs.1,29,60,000/- from Malaysia Technical University Network (MTUN) for human mimicking robot for aerodynamic solutions in Boeing aircraft composite Panel Smart Precision Painting System
- ❖ Dr.M.Paulraj along with the faculty members of UniMAP, Malaysia has received a research grant of Rs. 62,58,000/- for the project titled, “ Smart, precise and automated robot system for lean manufacturing solution” awarded by Malaysian Technical University Research Grant Scheme.
- ❖ Development of Acoustic Based Steam Leak Detection for Power Boilers – Micromax Systems, Trichy
- ❖ Development of Loop powered Current Isolator for Process Industries – Sertel Electronics, Chennai
- ❖ Role of Experiential Learning in developing leadership skills among Engineering students – AICTE
- ❖ Cancer Targeted Photo Thermal Therapy using Gold Nano Particles – Tamilnadu State Council for Science & Technology (TNSCST)
- ❖ Conversion of Textile Dyeing Sludge into Building Materials – The Dyers Association of Tirupur
- ❖ Stabilization of Uncertain Dynamical Systems by Robust Reliable Control – Department of Atomic Energy, GoI
- ❖ AICTE Modernisation & Removal of Obsolescence – Electrical Machines, Concrete, Electronics & Mechatronics Lab
- ❖ AICTE Research Promotion Scheme - Civil, EEE & ECE received fund of Rs. 28.75 Lakhs
- ❖ SRIT Research Promotion Scheme - received fund Rs. 6.77 Lakhs
