

**SRI RAMAKRISHNA INSTITUTE OF TECHNOLOGY  
COIMBATORE – 641 010**

### **Research Cell**

The Research cell of the Institution is framed to motivate and encourage faculty members and students to conduct research in emerging areas related to their domain of study. The cell enables and encourages researchers to undertake interdisciplinary and multidisciplinary research which culminates in innovative and society conscious outcomes.

### **Research Cluster**

A research cluster is a formally recognized group of researchers whose research expertise is applied either to a common area, field, theme, or involved in a collaborative research project. The clusters conduct research related seminars, workshops, symposium and conferences in their relevant areas, various infrastructures are created to work in the cutting edge technologies.

### **Collaborative and Sponsored Research**

The faculty members are encouraged for research collaborations with Government research labs and research departments of industries. They are encouraged to submit proposals for Management funding and extra-mural funding from different agencies.

### **Seed Money under SRIT-RPS**

The institution provides a seed money to support the initial research to lead to further funding.
