DRAFT MINIMUM MANDATORY DISCLOSURE FOR UNIVERSITIES / HEI'S TO BE UPLOADED AT THEIR RESPECTIVE WEBSITE

1) About HEI/University

1.1 About us: Overview

SRIT was established in the year 2002, and managed by the SNR Sons Charitable Trust, Coimbatore. SNR Sons Charitable Trust was established in the year 1970, successfully runs 17 organisations catering to social needs of society focusing on Health Care, Education and Service. SRIT was accredited by NAAC with Grade 'A' and with CGPA score of 3.20. All the Under Graduate programmes are also accredited by NBA. Over the period of its educational service, SRIT accomplished several milestones. SRIT received permanent affiliation from Anna University for all its UG programmes. It also received recognitions from University Grants Commission (Autonomy, 2(f) and 12(B) status). Faculty and student teams of SRIT have achieved recognitions in Government of India sponsored technical competitions like IICDC, Mapathon and Smart India Hackathon. The major recruiters of SRIT include Accenture, Cognizant Technology Solutions, Hexaware, Virtusa, Zoho corporation and Wipro. The Institution is part of Infosys Campus Connect programme, Wipro Talent-Next programme and COE programmes of Hexaware and Virtusa. SRIT is partnering with technical service providers like NeoPAT to deliver round the clock delivery of cloud-based placement training services. The Institution has also signed MoUs with International Universities like Universitas Ubudiyah Indonesia, Indonesia and Universiti Malaysia Perlis, Malaysia to share faculty expertise and offer student internships. The Institution strives to adopt Outcome Based Education through continuous up gradation of human resources and teaching learning practices.

Sri Ramakrishna Institute of Technology (SRIT) is an Autonomous Institution, affiliated to Anna University, Chennai. SRIT is offering 5 undergraduate engineering degree programmes and 3 post graduate engineering degree programmes for the students enrolled during the academic year 2021-2022. The departments of Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Physics and Mathematics streams of the Department of Science and Humanities are recognized research centres of Anna University, Chennai. The research affinity of SRIT is enriched by 32 Ph.D qualified faculty members out of which 10 doctorates are Anna University qualified research supervisors. Further, 50 faculty members on roll are pursuing Ph.D and 29 external candidates are pursuing Ph.D under the Research Supervisors of the Institution.

5.1 Research and Development Cell

The Research cell of the Institution is framed to motivate and encourage faculty members and students to conduct research in emerging areas related to their domain of study. The cell enables and encourages researchers to undertake interdisciplinary and multidisciplinary research which culminates in innovative and society conscious outcomes.

Research Cluster

A research cluster is a formally recognized group of researchers whose research expertise is applied either to a common area, field, theme, or involved in a collaborative research project.

The clusters conduct research related seminars, workshops, symposium and conferences in their relevant areas; various infrastructures are created to work in the cutting edge technologies.

Collaborative and Sponsored Research

The faculty members are encouraged for research collaborations with Government research labs and research departments of industries. They are encouraged to submit proposals for Management funding and extra-mural funding from different agencies.

Seed Money under SRIT-RPS

The institution provides a seed money to support the initial research to lead to further funding.

5.5 Industry Collaborations

Our college is a hub of innovation and entrepreneurship, fostering a vibrant ecosystem of start-ups and industry collaborations. We are proud to house four dynamic start-ups: **Mechatron Motors**, **Shrimphoard Technologies Pvt Ltd**, **9 to 5 Universe**, and **Pezray Technologies**. These ventures span diverse sectors, showcasing our students' ingenuity and versatility.

Our **Innovation and Entrepreneurship Development Centre (IEDC)** is the cornerstone of this ecosystem. It nurtures budding entrepreneurs, equips them with necessary skills, and provides a platform to transform their innovative ideas into successful enterprises.

We actively seek industry collaborations to bridge the gap between academia and industry. Such partnerships offer our students real-world exposure, internships, and project opportunities, enhancing their employability. They also facilitate knowledge exchange, joint research initiatives, and technology transfer, driving innovation and economic growth. We invite industries to collaborate with us, leverage our research capabilities, and harness the potential of our start-ups. Together, we can shape the future of technology and contribute to societal advancement.

5.6 Central facilities

The following Research Clusters have been established in the Institution for promoting research.

7.4 Internal Quality Assurance Cell

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. IQAC established at SRIT continues to strive for the betterment of processes and setup.

Goals of IQAC

To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

8) Alumni

8.1 Alumni Association - <http://www.sritalumni.org/>

8.2 Alumni Co-ordination Cell

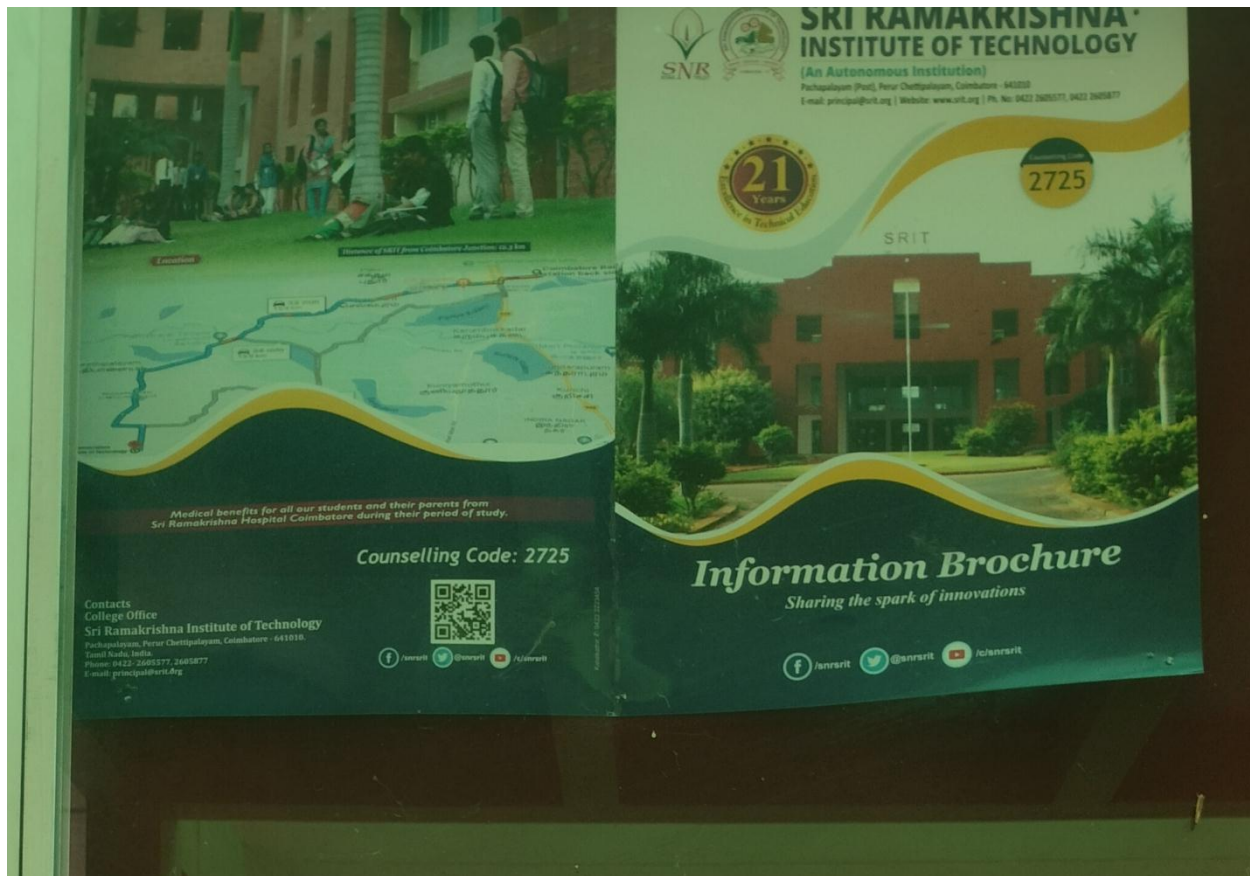

The most important factor that brings fame to any institution is its strength of alumni. The continuous contribution and association of the alumni with alma mater raises the reputation and prosperity of the institution. Sri Ramakrishna Institute of Technology (SRIT), incepted in the year 2002 is proud of its strong alumni network. SRIT Alumni Association has its office at Coimbatore, which carries out various tasks by bringing together the alumni and establishing their continuous association with the institution. The Management, SNR Sons Charitable Trust, supports strongly and along with the consistent involvement of the Principal and faculty of SRIT, who are the alumni of SRIT, the Alumni association carries out various tasks. These activities not only provide service to the institution and the society but also bring the members of the alumni to a close family atmosphere. SRIT Alumni Association organized its first General Body Meeting in 2006 and the office bearers were elected. SRIT Alumni Association was registered under the Tamil Nadu Societies Registration Act 1975, in 2012 and the registration number is 134/2012. SRIT Alumni Association conducts the General Body meeting on 26th of January every year. The fund allocated for the association is being utilized for various activities to serve the institution and society. The association provides financial support to poor students of the institution through scholarships. All the affairs of the association are managed by the office bearers headed by the president. The secretary takes care of all the correspondence to the association and the treasurer takes care of the financial affairs. The policies and resolutions are decided in coordination with the executive committee members. The executive committee meets once in two months to discuss the activities in progress and also the feedback of the activities completed.
