# Prof. K. Krishnaiah

Professor and Dean, Academic Affairs  
Indian Institute of Technology Tirupati  
Tirupati

Professor Krishnaiah Kamatham is currently Professor and Dean, Academic Affairs in the Indian Institute of Technology Tirupati. He was an Emeritus Professor in the Department of Chemical Engineering at IIT Madras from July 2013 to Jan 2017. He received his Bachelor's and Master's degrees in Chemical Engineering from Regional Engineering College, Warangal, in 1973 and 1975, PhD degree from IIT Madras in 1980.

He joined the services at IIT Madras as Lecturer on December 1980 and was promoted as Assistant Professor on January 1984. Subsequently, he was appointed as Associate Professor on January 1991 and as Professor on May 1995. He worked as a Professor in the Chemical Engineering Program of School of Engineering & Information Technology, University of Malaysia Sabah, Malaysia from June 2004 to June 2006.

He has been awarded "Srimathi Marti Annapurna Gurunath Award for Excellence in Teaching" by IIT Madras in the year 2012 and "Life Time Achievement Award" by VIT, Vellore in the year 2016.

On the research side, he published and presented more than 120 papers and guided 15 PhDs, 6 MS, 59 M. Tech Theses and a large number of B. Tech projects. His broad area of research is Fluid Particle Multiphase Systems and Chemical Reaction Engineering. He has completed many Sponsored Projects from Industry and Government Organizations. He was involved in conducting a national level PG Entrance Examination - GATE for 3 years as Secretary, Vice Chairman and Chairman. He served as Chairman, Centre for Continuing Education and was the Coordinator for Quality Improvement Program of Engineering College Teachers for about 3 years. During his time NPTEL seeds were sowed and he was one of the first architects of the structure of NPTEL. This Project involves the development of on line courses in all the disciplines in Engineering.

## Vision

Our Vision is to develop into a World Class Technological Institute with centres of excellence in various disciplines by providing quality and value-based education with continuous upgradation of infrastructure, human resources and teaching - learning process.

## Mission

Our Mission is to produce Quality Engineers, Scientists and Managers equipped with unbounded technical skills, domain knowledge and excellent moral values, for the advancement of the industry, business and for the emancipation of society.
